PROJECT DESCRIPTION

FPBH, Inc. is providing the inspection services for all bridges with a span over 20 feet under the jurisdiction of the Jackson County Board of Commissioners.

All inspections and reports are in compliance with the U.S. Department of Transportation- FHWA- National Bridge Inspection Standards (NBIS) and the Indiana Department of Transportation guidelines.

FPBH, Inc. provided engineering and inspection services for the Routine Inspection, Fracture Critical Inspection, Underwater Inspection, Special Inspection, and Scour Assessment.

Additional planning, budgeting, and bridge management services were provided to the Commissioners.
