### PROJECT DESCRIPTION

FPBH, Inc. has provided the inspection services for all bridges with a span over 20 feet under the jurisdiction of the Jennings County Board of Commissioners since 1998.

All inspections and reports are in compliance with the U.S. Department of Transportation- FHWA- National Bridge Inspection Standards (NBIS) and the Indiana Department of Transportation guidelines.

FPBH, Inc. provided engineering and inspection services for the Routine Inspection, Fracture Critical Inspection, Underwater Inspection, Special Inspection, and Scour Assessment. Additional planning, budgeting, and bridge management services were provided to the Commissioners in the form of a "Five Year Improvement Plan".
