PROJECT DESCRIPTION

Located South of North Vernon, FPBH, Inc., has participated in the design and development of this upscale Major Rural Subdivision since its inception.

Constructed in three phases, the latest phase included a small lake, and a new entrance from State Highway 7, which created a central thoroughfare and allows this addition of 114 lots a second access to the highway.

Lots are all well over an acre in size, and were laid out with natural topography, and premier home location the driving force in the design.
